Thereafter, the Chairman delivered his speech, the highlights of which are recorded hereunder:

Chairman stated that the economic mood of the country has moved both ways during FY15. It was an election year and the election was the single most influential factor as far as the business environment was concerned. The year started with a lot of positivity and this positivity intensified as the General Elections provided a decisive outcome. However, there was subsequently some disappointment because growth did not pick up at the pace that many had hoped. Chairman informed that despite these swings in the mood, Religare consciously focussed our efforts on growing our businesses during the year and this focus has helped us deliver growth across all our businesses. He further briefed the Shareholders about various business of the Company including Lending, Housing Finance, Capital Markets, Asset Management, Health Insurance and Life Insurance.

The Chairman informed the Shareholders that the all-round growth delivered by the operating businesses has resulted in 21% growth in revenue in FY15 over the earlier year, and the Company has turned the corner from a loss to profitability on a consolidated basis, despite the fact that some of our businesses are currently very young and have been incurring losses as is the norm at their stage of evolution.

Talking about future outlook, Chairman informed the shareholders that at Religare, we believe that India is currently going through a phase that will set the stage for very strong and broad-based growth over many years to come, taking India closer to the stated goal of becoming a developed country. Such growth will create once-in-a-lifetime opportunities for many businesses, and particularly for the financial services sector in which the Company operates. The financial services sector is both an enabler of economic growth as well as a beneficiary of growth, and therefore the sector will have a very important role to play in India's development over the coming years and decades. Religare has positioned itself to capitalise on growth opportunities across all verticals within the financial services sector.

The Chairman concluded with vote of thanks to shareholders for the trust reposed by them on the Management and their continuous support in this journey.

Then the Chairman stated that as per the applicable provision of the Companies Act, 2013, Rules enacted thereunder read with the Listing Agreement and Secretarial Standard - 2 issued by the Institute of Company Secretaries of India on General Meetings ("SS-2"), the company has provided remote e-voting facility to the members to cast their vote on AGM agenda items between Friday, September 11, 2015 (9.00 A.M.) to Sunday, September 13, 2015 (5.00 P.M.) in proportion to their shareholding as on cut-off date i.e. September 07, 2015. He stated that Mr. Sanjay Grover, Company Secretary in whole time practice (Membership No. 4223) was appointed as Scrutinizer to scrutinise the remote e-voting process in a fair & transparent manner.

The Chairman further stated that since the Company has provided remote e-voting facility to the members for voting, under which voting rights of the Members were / shall be in proportion to the paid-up value of their shares in the equity capital of the Company, similar voting rights needs to be provided to the members present in the meeting, either in person or through proxies.
