Sub: Updates – Change in Credit Rating of Religare Finvest Ltd., Subsidiary Company

Dear Sir(s),

We would like to inform you that the **CARE Ratings** has revised the rating of Religare Finvest Limited (RFL), subsidiary company, which has been withdrawn also by RFL. The details of changes are herein below:

Religare Finvest Limited (RFL), subsidiary company

Sr. No.	Instruments	Amount (In Rs. Crore)	Rating Action
1.	Long-term Debt/ Non-Convertible Debentures	-	Revised from CARE BBB (Triple B) (Credit watch with developing implications) to CARE BBB- ; Negative (Triple B Minus; Outlook: Negative) and Rating Withdrawn

The revision in the rating assigned to the aforementioned instrument of RFL takes in to account the impact on the asset quality on recognition of corporate loan book (CLB) of Rs. 2,087 Crore as NPA, consequent provisioning of around 50% against CLB resulting in net loss of Rs. 1,103 Crore during FY 2018, significant de-growth of loan portfolio during the last 18 months resulting in operational net loss during H2 FY18 and qualifying remarks by the auditors regarding their inability to comment on the status and classification on account of adjustment of FDRs of Rs.750 crore by Lakshmi Vilas Bank (LVB).

The Rating Committee has taken note of the change in the management at Religare Enterprises Limited ("REL"-Parent Company of RFL) and out of proposed capital raising by REL (Rs.916 crore), so far Rs. 160 crore has been received from domestic investors (25% warrant money of Rs.145 crore and additional 75% capital from a couple of investors). Balance Rs. 83.3 crore (out of share warrant money of RS.229 crore), which pertains to foreign investors will be raised post achieving approval from the Ministry of Finance.

Further, since the same instrument was also rated by ICRA, RFL decided to withdraw the rating of the instrument.

You are requested to take the above information on your records.
