Strategy Implementation Update – 1/2

Continue to consolidate our position in India...

Integrated Indian Financial Services Platform

- **Softness in the Indian financial markets continued in Q4FY11 as anticipated – early counter-measures helped contain the impact in some businesses**
 - **Asset Finance:** Loan book grew to ₹58 bn* – close to the upper end of our target of ₹50-60 bn for FY11. Portfolio quality in control: 30-days past due at 0.84% and 90-days past due at 0.25% of book as of March 31, 2011
 - **Capital Market Lending:** Earnings quality remains stable and book scaled back further to ₹21.4 bn.* in light of soft market conditions
 - **Retail Equity Broking:** Continue to focus on cost optimization, improving service delivery and increasing activation rates to counter pressures from deteriorating market conditions including falling yields and continuing shift to F&O
 - **Retail Commodity Broking:** Efforts to acquire new clients bearing fruit with number of clients at approx. 1,40,000. Religare Commodities won 'Best Commodity Broker of the Year' at Bloomberg UTV's Financial Leadership Awards 2011
 - **Asset Management:** Efforts to increase higher fee products paying off – commenced deploying funds raised by Japanese asset manager from Japanese retail investors in Feb 2011 for the Indian mid- and small-cap strategy. Fund closed at US\$ 105 mn with participation by over 5,000 investors.
 - **Wealth Management:** Focus on high fee generating clients and diversification of product suite
 - **Life Insurance:** More than doubled branch network to 118 during the year ended March 31, 2011, with continued emphasis on developing a cost efficient operating model

* As at Mar 31, 2011

Strategy Implementation Update – 2/2

...and grow international platform

Emerging Markets Investment Banking Platform

- Traction across geographies in Investment Banking and Equity Capital Markets with marquee deals in India, Singapore, UK and USA
- India research covers 185 stocks as of 31-Mar-2011, representing more than 75% of the BSE market capitalization; 24 stocks under active coverage internationally
- RCML India named 'Best India Brokerage Research Firm' at the Starmine Awards, part of Thomson Reuters family of awards. The awards follow an objective methodology, ranking analysts according to their Industry Excess Return, computed from a portfolio simulation that measures each analyst relative to an industry-based benchmark

Global Asset Management Platform

- Obtained RBI approval during Q4FY11 for acquiring Landmark Partners LLC, USA; transaction has since been completed
- Leveraging distribution capabilities: facilitated raising of US\$ 105 mn from Japanese retail investors for Indian mid- and small-cap strategy – funds being advised by RAMC

Proposed Rights Issue

- On 26th April, 2011, the Board of Directors have approved issue of equity shares on rights basis to the shareholders of the company for an amount of up to Rs. 8,000 million (with an option to increase the issue size by up to 10%) (“Rights Issue”)
- Subsequent to the approval of the proposed issue by the Board, the Offer Committee of the Board approved the Draft Letter of Offer (DLOF) in the context of the aforesaid Rights Issue and the same has been filed with the Securities & Exchange Board of India (“SEBI”) on May 6, 2011
- Subject to the approval of the SEBI, the Rights Issue will enable raising of capital as set out in the DLOF
- Consequent to the filing of the DLOF, a Promoter Group entity has subscribed to the Rights Issue for an amount of Rs. 4,000 million as advance subscription towards the Rights Issue and the same has been intimated to SEBI and the Stock Exchanges

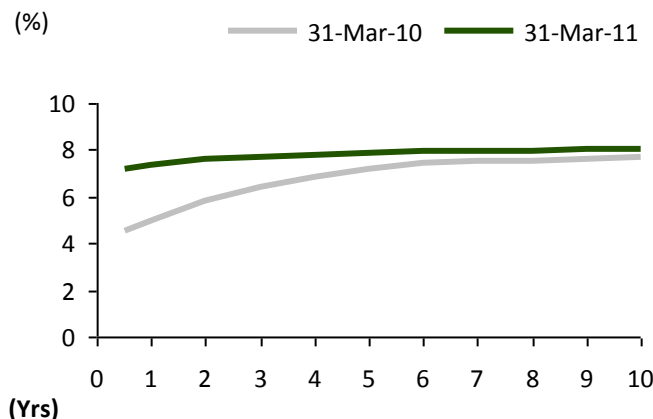

Please refer to the Letter of Offer to be filed with SEBI for Risk Factors associated with the Rights Issue

Indian markets were soft in H2FY11 but structural story continues to be strong

Pressure points remain in the financial markets as anticipated

- Upward shift in short term interest rate yield curve during FY11 has impacted lending business profitability – this was particularly evident in the latter half of the year
- Share of Futures & Options in market volumes continues to rise: F&O accounted for 89% of overall market turnover in Q4FY11. Cash equities turnover has declined in relative as well as absolute terms.
- MF industry remains challenged as expected: AUM declined further from the earlier quarter

Significant upward shift in short term interest rates has led to increase in cost of funding

Options now account for nearly two-thirds of overall volume

Share of retail turnover in Cash equities has steadily declined

MF Industry closing AUM declined further as investors continued to pull back from the market

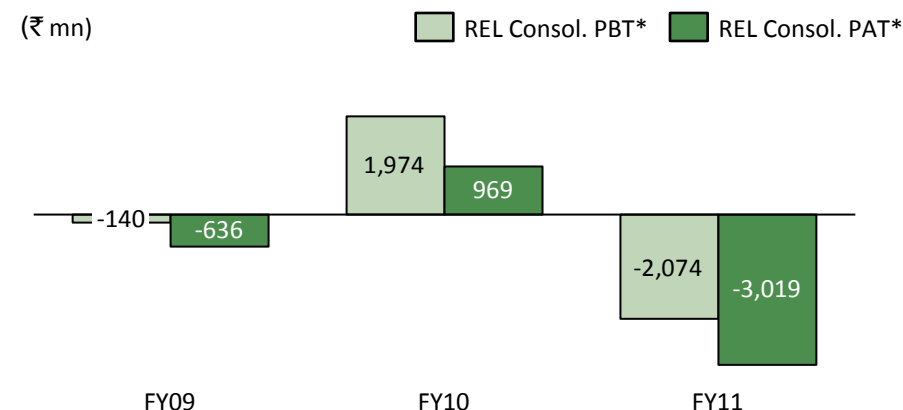

Key Financial Indicators – Q4FY11 and FY11

Robust revenue growth – Q4 revenue up 62% QOQ and FY11 revenue up 78% YOY

Investments in new businesses continued through FY11, reflected as accounting losses

* Includes one-time Capital Gains of Rs. 1,287 mn in Q4FY11 and FY11 from sale of immovable property by a subsidiary

Market-wide shift in mix causing pressures

Shift to Options continues: market-wide Options turnover grew 20% QOQ* while Cash and Futures declined

Religare's brokerage yield impacted by change in Cash vs. F&O mix

Religare's market share declined as market-wide share of Options increased and institutional volume growth likely outpaced retail

Business update

- Marked shift towards Options: Cash and Futures turnover declined in absolute terms
 - Market-wide Cash turnover declined 22% QOQ and now contributes only 10% to overall volumes vs. 14% in Q3FY11 and 20% in Q4FY10
 - Options accounted for 65% of market-wide turnover in Q4FY11 vs. 57% in Q3FY11
- Driving cost productivity in the business by expanding solely through franchisees
