

NCLT asks ABG to submit HC case details

FE BUREAUS
Ahmedabad/Hyderabad,
July 27

THE NATIONAL COMPANY Law Tribunal (NCLT) in Ahmedabad on Thursday asked ABG Shipyard to submit details of a case in the Gujarat High Court filed against the company by 20 unsecured creditors.

The observation was in response to ABG Shipyard's submission that a petition for liquidation of the company by its unsecured lenders has recently been admitted before the High Court. The tribunal said it would

pronounce an order after the submission of those documents. ABG Shipyard had admitted that it defaulted on loan repayment and consented to the bankruptcy proceedings initiated by ICICI Bank. According to NCLT sources, the order could be pronounced on or after July 31.

ICICI Bank leads a consortium of 22 lenders who have loaned ABG Shipyard ₹9,290 crore. ABG Shipyard is among the 12 companies referred to NCLT benches following a nudge from the RBI, which had on June 13, had asked banks to refer a dozen troubled companies — with a combined

debt of close to ₹2.4 lakh crore — to the NCLT, following several failed attempts at loan recovery.

IDBI-Lanco case

The NCLT, Hyderabad, has adjourned to next week, the hearing in the IDBI Bank-Lanco Infratech case. IDBI Bank has started the insolvency resolution process against Lanco Infratech following a directive from the RBI. The company is among 12 firms identified by the central bank with a

Konica Minolta Business Solutions India Pvt. Ltd.

'Bengaluru retains lead in online food delivery orders'

SAMEER RANJAN BAKSHI
Bengaluru, July 27

BENGALURU CONTINUES TO hold pole position in terms of online food delivery orders per day, according to a report by RedSeer Management Consulting. Delhi, Mumbai, Hyderabad and Pune follow in that order with Chennai emerging as the sixth largest market for the food-tech industry, crossing the 10,000 deliveries a day mark for the first time.

dia seems attractive, widespread challenges and lack of experience had forced some players like Tiny Owl to shut down and some like Foodpanda to downsize. Besides facing competition from their peers, they also have to fight bigger and deep pocketed food chains like Pizza Hut and Domino's which have their own robust delivery services.

THE TOP SIX
No. of orders/day

Bengaluru	75,000 - 85,000
Delhi-NCR	50,000 - 60,000
Mumbai	35,000 - 45,000
Hyderabad	30,000 - 35,000
Pune	15,000 - 20,000
Chennai	10,000 - 15,000

The report states that India witnesses about 3 lakh food delivery orders every day, with Bengaluru having 25-30% of that share. It was prepared for the January-March period of FY17. It also stated that food delivery players are focusing on increasing their penetration in the existing cities over expansion to new geographies. The reason for that is while online food delivery companies served 2.7-3 lakh orders per day on an average in the March quarter, about 90% of orders came from top six cities. Even Euromonitor said, "In India, home delivery is largely limited to India's urban areas, and a large portion of the population still resides in rural regions, where there is little or no demand for home delivery. The demand for food delivery services is also limited to a very specific subset of the Indian population."

Talking about food tech industry growth, Rohan Agarwal, senior consultant, RedSeer, said, "In 2016, online food delivery market had a gross merchandise value of \$300 million and it is expected to grow at a compound annual growth rate of about 60% over the next 5 years to hit a gross merchandise value of \$2.5-3.5 billion by 2021."

While the size and potential of food delivery market in In-
